• Review draft charter and process road map framework and come in with recommendations for additions/changes	All	2/6
• Read mission statement from reorganization document and be prepared to recommend any additions/changes	All	2/6

ISSUES/THINGS TO THINK ABOUT

- How to deal with short-term possibilities–e.g. getting on conference agendas
- Be sure to have overarching “vision,” not a series of isolated projects
- Consider having specific objectives for longer term, 2004
- Is there a public policy issue within which Student Aid Awareness sits?

UPCOMING MEETINGS OF THIS TEAM-
